RESULTS OF COURT MEETINGS AND GENERAL MEETING AND EXPECTED TIMETABLE OF PRINCIPAL EVENTS

Introduction

On 21 July 2023, the boards of Aquila Bidco Limited ("**Bidco**"), a newly incorporated wholly-owned subsidiary of funds advised by Inflexion Private Equity Partners LLP ("**Inflexion**") and DWF Group plc ("**DWF**") announced that they had reached agreement on the terms of a recommended cash offer by Bidco to acquire the entire issued and to be issued ordinary share capital of DWF (the "**Acquisition**"). The Acquisition is being implemented by means of a court sanctioned scheme of arrangement under Part 26 of the Companies Act 2006 (the "**Scheme**"). A circular in relation to the Scheme was published by DWF on 15 August 2023 ("**Scheme Document**").

The board of DWF is pleased to announce that the Employee Shareholder Court Meeting and the Other Shareholder Court Meeting to consider the Scheme and the General Meeting to consider the Resolution were each held today and all resolutions were approved by the requisite majorities, as set out in further detail below.

At each of the Court Meetings, a majority in number of the Scheme Shareholders who voted and were entitled to vote (either in person or by proxy) at each applicable Court Meeting, representing not less than 75 per cent. in value of the Scheme Shares voted by those Scheme Shareholders at each Court Meeting, voted in favour of the resolution to approve the Scheme.

At the General Meeting, the requisite majority of DWF Shareholders voted to pass the Resolution at the General Meeting to, among other things, authorise the DWF Directors to take all such action as they may consider necessary or appropriate for implementation of the Scheme and amend DWF's articles of association in connection with the Scheme.

Capitalised terms in this announcement, unless otherwise defined, have the same meaning as set out in the Scheme Document and all references to times in this announcement are to London time unless otherwise stated.

Details of the resolutions passed are set out in the notices of the Employee Shareholder Court Meeting, Other Shareholder Court Meeting and General Meeting at Part 12 (*Notice of Employee Shareholder Court Meeting*), Part 13 (*Notice of Other Shareholder Court Meeting*) and Part 14 (*Notice of General Meeting*) of the Scheme Document, respectively, which is available on DWF's website at <https://dwfgroup.com/en/investors/offer-for-dwf-group-plc> and on Bidco's website at www.dwfoffer.com.

The total number of DWF Shares in issue at the Voting Record Time was 341,979,578, with a nominal value of 1 penny each, of which no DWF Shares were held by DWF in treasury.

Based on the information available to DWF's share registrar, Equiniti, as at the Voting Record Time:

- the number of issued ordinary shares that are attributable to the Employee Shareholder share class is 180,789,286 DWF Shares; and
- the number of issued ordinary shares that are attributable to the Other Shareholder share class is 161,190,292 DWF Shares.

The detailed voting results in relation to the Employee Shareholder Court Meeting, the Other Shareholder Court Meeting and the General Meeting are summarised below and this announcement will be posted on DWF's website at

Acquisition Conditions

The outcome of the Court Meetings and the General Meeting means that Conditions 2(a) and (b) as set out in Part 3 (Conditions to and Further Terms of the Acquisition) of the Scheme Document have been satisfied.

The Acquisition remains subject to the Court sanctioning the Scheme at the Sanction Hearing, the delivery of a copy of the Court Order to the Registrar of Companies and the satisfaction or (where capable of being waived) waiver of the other Conditions to the Acquisition as set out in Part 3 (Conditions to and Further Terms of the Acquisition) of the Scheme Document. In particular, the Acquisition remains subject to the remaining regulatory clearances set out in paragraph 3 of Part A of Part 3 (Conditions to and Further Terms of the Acquisition) of the Scheme Document (the "Regulatory Conditions"). Bidco currently expects that all Regulatory Conditions will be satisfied by 25 September 2023.

Subject to the satisfaction of the Regulatory Conditions outlined above, it is the current intention of the Company to seek the Court's sanction of the Scheme on 29 September 2023, at a hearing to be held in The Royal Courts of Justice. If all Regulatory Conditions have not been satisfied or (where capable of waiver) waived, before 29 September 2023, the expected timetable of principal events as set out below is likely to change and DWF will make a further announcement regarding the expected timetable for the implementation of the Scheme.

Before such time, if any of the Regulatory Conditions is satisfied, or the relevant Regulatory Condition or Regulatory Conditions relating thereto is waived, a further announcement confirming the satisfaction or waiver of the relevant Regulatory Condition(s) will be made by DWF.

Additional information for US investors in DWF

DWF Shareholders in the United States should note that the Acquisition relates to the shares of an English company with a listing on the Main Market and is proposed to be effected by means of a scheme of arrangement under English law. This announcement, the Scheme Document and certain other documents relating to the Acquisition have been or will be prepared in accordance with English law, the Takeover Code and UK disclosure requirements, format and style, all of which differ from those in the United States. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition is subject to the disclosure requirements of and practices applicable in the United Kingdom to schemes of arrangement, which differ from the disclosure requirements of the United States tender offer and proxy solicitation rules. If, in the future, Bidco exercises the right to implement the Acquisition by way of a Takeover Offer and determines to extend the offer into the United States, the Acquisition will be made in compliance with applicable United States laws and regulations, including any applicable exemptions under the US Exchange Act.

The Loan Notes, the Preference Shares, the Bidco Rollover Loan Notes, the Holdco Rollover Loan Notes and the Bidco Rollover Preference Shares have not been, and will not be, registered under the US Securities Act or with any securities regulatory authority of any state or other jurisdiction of the United States and may not be offered, sold, exercised, resold, transferred or delivered, directly or indirectly, in or into the United States except pursuant to an exemption from the registration requirements of the US Securities Act. There will be no public offer of Loan Notes or Preference Shares in the United States. Accordingly, the Partial Securities Alternative is not being offered, and will not be offered, directly or indirectly in or into, or by use of the mails of, or by any means or instrumentality of interstate or foreign commerce of or of any facilities of a national securities exchange of, the United States. This includes, but is not limited to, facsimile transmission, electronic mail, telex, telephone, the internet and other forms of electronic communication. The Partial Securities Alternative may not be applied to by any such use, means, instrumentality or facility from or within the United States or by persons located or resident in the United States. Accordingly, materials allowing for the Partial Securities Alternative are not being, and must not be, directly or indirectly mailed or otherwise published, transmitted, distributed or forwarded (including, without limitation, by custodians, nominees or trustees) in or into the United States or to any US persons or any persons located or resident in the United States. Any purported applicability of the Partial Securities Alternative resulting directly or indirectly from a violation of these restrictions will be invalid and any purported applicability of the Partial Securities Alternative made by a person located in the United States or any agent, fiduciary or other intermediary acting on a non-discretionary basis for a principal giving instructions from within the United States will be invalid and will not be accepted.

Each person electing to receive the Partial Securities Alternative will represent that it is not a US person, it is not located in the United States and it is not participating in the Acquisition from the United States or acting on a non-discretionary basis for a principal that is not a US person, it is located outside the United States and that it is not giving an order to participate in the Partial Securities Alternative from the United States. For the purposes of this and the above paragraph, "United States" means United States of America, its territories and possessions (including Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, Wake Island and the Northern Mariana Islands), any state of the United States of America and the District of Columbia.

DWF's financial statements, and all financial information that is included in this announcement, the Scheme Document or any other documents relating to the Acquisition, have been or will be prepared in accordance with UK-adopted international accounting standards and may not be comparable to financial statements of companies in the United States or other companies whose financial statements are prepared in accordance with US generally accepted accounting principles.

The receipt of cash pursuant to the Acquisition by a US holder as consideration for the transfer of its DWF Shares pursuant to the Scheme will likely be a taxable transaction for United States federal income tax purposes and under applicable United States state and local, as well as foreign and other, tax laws. Each DWF Shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them.

It may be difficult for US holders to enforce their rights and claims arising out of the US federal securities laws, since Bidco and DWF are located in countries other than the US, and some or all of their officers and directors may be residents of countries other than the US. US holders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

In accordance with normal UK practice and consistent with Rule 14e-5(b) of the US Exchange Act, (to the extent applicable) Bidco, certain affiliated companies and their nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, shares in DWF outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made they would occur either in the open market at prevailing prices or in private transactions at negotiated prices and comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase will be disclosed as required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com.

Neither the United States Securities and Exchange Commission nor any US state securities commission has approved or disapproved the Acquisition, passed upon the merits or fairness of the Acquisition or passed any opinion upon the accuracy, adequacy or completeness of this announcement (nor will it do so in respect of the Scheme Document). Any representation to the contrary is a criminal offence in the United States.

Forward looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward looking statements.

The forward looking statements contained in this announcement include statements relating to the expected effects of the Acquisition on Bidco, Inflexion, DWF, any member of the Wider Bidco Group or any member of the Wider DWF Group (including their future prospects, developments and strategies), the expected timing and scope of the Acquisition and other statements other than historical facts. Often, but not always, forward looking statements can be identified by the use of forward looking words such as "prepares", "plans", "expects" or "does not expect", "is expected", "is subject to", "budget", "projects", "synergy", "strategy", "scheduled", "goal", "estimates", "forecasts", "intends", "cost-saving", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Forward looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Bidco's, Inflexion's, DWF's, any member of the Wider Bidco Group's or any member of the Wider DWF Group's operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on Bidco's, Inflexion's, DWF's, any member of the Wider Bidco Group's or any member of the Wider DWF Group's business.

Although Bidco and DWF believe that the expectations reflected in such forward looking statements are reasonable, Bidco, Inflexion, DWF, these forward looking statements are not guarantees of future performance and the Wider Bidco Group and the Wider DWF Group can give no assurance that such expectations will prove to be correct. By their nature, forward looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward looking statements.

These factors include, but are not limited to: the ability to complete the Acquisition; the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions; changes in the global political, economic, business and competitive environments and in market and regulatory forces; changes in future exchange and interest rates; changes in tax rates; future business combinations or disposals; changes in general economic and business conditions; changes in the behaviour of other market participants; the anticipated benefits from the proposed transaction not being realised as a result of changes in general economic and market conditions in the countries in which Bidco, Inflexion, DWF, the Wider Bidco Group and/or the Wider DWF Group operate; weak, volatile or illiquid capital and/or credit markets; changes in the degree of competition in the geographic and business areas in which Bidco, Inflexion, DWF, the Wider Bidco Group and/or the Wider DWF Group operate; and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those expected, estimated or projected in the forward looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward looking statements should therefore be construed in the light of such factors.

Neither Bidco, Inflexion, DWF, the Wider Bidco Group nor the Wider DWF Group, nor any of their respective associates or directors, officers or advisers, provide any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward looking statements in this announcement will actually occur. Given these risks and uncertainties, potential investors are cautioned not to place any reliance on these forward looking statements.

Specifically, statements of estimated cost savings and synergies related to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated.

Other than in accordance with their legal or regulatory obligations, neither Bidco, Inflexion, DWF, the Wider Bidco Group nor the Wider DWF Group is under any obligation, and each such person expressly disclaims any intention or obligation to update or revise any forward looking statements, whether as a result of new information, future events or otherwise.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified.

Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.
